

# WAYS YOU CAN SHOW YOUR SUPPORT FOR MICHIGAN POLICE

Any day is a good day to support Michigan's Law Enforcement. Here are some pillar days to consider something special:

**January 9, 2023** - National Law Enforcement Appreciation Day

**May 15, 2023** - Peace Keeper Memorial Day

**May 14 - 20, 2023** - Police Week 2023

**September 16, 2023** - Thank a Police Officer Day (This is the third Saturday in September)

The most important day of Police Week is May 15: the day America honors men and women who have fallen behind the badge. As we prepare for Police Week - here are some ways to show your support earlier in the year.

## **JANUARY 15 - BLUE LIGHT DAY**

Encourage citizens to put a blue light bulb on their porch.

## **FEBRUARY 15 - WEAR BLUE DAY**

Wear blue, tie a ribbon around your tree - do something to display blue as a sign of support for Police!

## **MARCH 15 - MEDIA MARCH**

Reach out to all media and ask them to start talking about Police Week, tell a story about Police, publish something in the media about being pro Police etc.

## **APRIL 15 - SIGN IN YARD DAY**

Ask citizens to start displaying signs for Police Week - home made signs, bought signs but get people talking about Police Week 2020.
